About UpReach

UpReach Therapeutic Riding Center, located in Goffstown, NH, was founded in 1992 with two riders and one borrowed horse. Through the efforts of many companies, individuals and organizations we now serve over 75 riders each week.

Your support of the "Adopt-A-Horse" program will allow UpReach to provide therapeutic riding instruction to a larger segment of the challenged community through the purchase of horses and meeting the high quality of care required to keep our equine friends healthy and happy.

At UpReach we're proud of the accomplishments our clients achieve each and every day. Won't you join us in creating a legacy for future generations of riders who need you to help them keep this special joy in their lives?

You will also receive a Certificate of Adoption and a photo of your horse. All donors will be recognized on the UpReach Website and the Quarterly Newsletter.

Your donation will support horses like Spanky:

"Spanky"

I like Spanky because he trots slowly. Sometimes Spanky and I play basketball together. It is really fun shooting hoops. The most fun is giving Spanky a treat at the end of my lesson. I think he is cute and short so I don't sit too high.

I have ridden Spanky for a long time now and I love
